Title: INTERNATIONAL MONETARY FUND (IMF) CONFERENCE
WASHINGTON, D.C.;
APRIL 28, 2001 TO APRIL 30, 2001
CT PREPAREDNESS - SPECIAL EVENT

Synopsis: Summary of 03/08/2001 World Bank Security Operations meeting in reference to the up coming IMF Conference, Washington, D.C. 04/28 - 30/2001.

Details: On 03/08/2001 World Bank Security Operations held a meeting regarding the up coming IMF Spring conference being held in Washington, D.C.

World Bank Security Operations (WBSO) has placed a Diplomatic Mission Status request with the United States Secret Service (USSS) for the Spring IMF meetings. This would allow the USSS to deploy their Uniformed Division for security purposes during the IMF meetings. To date, World Bank's request has not been granted, but most likely will be honored, given the past history of the IMF meetings.

Logistically, WBSO has reserved buses for the delegates attending the Spring meetings. Specifics on the number of buses, routes traveled and bus security are being planned between the Washington Metropolitan Police Department (MPD) and WBSO. No information to date on busing details. WBSO is also setting up off site parking and registration at the Melrose Hotel (former Wyndham Bristol). In addition, the off site will be where attending delegates receive their IMF meeting credentials. IMF delegates will not be permitted to register via the Internet. The off site will function from 04/27 - 30/2001, prior to 4/27 registration will take place at the IMF building, 700 19th Street NW, Washington, D.C. World Bank/ IMF is asking the attending

No USSS protectee are scheduled to attend the meetings. The Secretary of the Treasury, Paul O'Neall will be in attendance for the meetings but has signed off on his security detail.

Given the current threat level to the Spring IMF meetings, MPD has not requested assistance from outside police departments. However, if the number of protesters increases and subsequent threat assessments deem action necessary, MPD will request outside help. Arlington County Police Department will be the primary source for augmenting MPD staff. To date all MPD commanding officers are scheduling their details to work Saturday, 4/28 through Monday, 4/30/ 2001.

The next meeting is scheduled for 03/22/2001 at 10:00 a.m. at the IMF building, 700 19th Street, N.W., Washington, D.C. Investigation continues at WFO.

delegations to limit the number of representatives they send to the Spring meetings to thirty people per delegation.

The World Bank/ IMF is hiring additional contract security guards for the Spring meetings and scheduled meeting functions. MPD is requesting the security guards work unarmed and be employed mainly to screen the individual entering the meeting and function areas.

World Bank Field Security Research Analyst, [redacted] provided a short briefing on intelligence WBSO has gathered to date. They are concerned about the large protest groups (the Vermont Action Network and the New York JAVA Rain Forest Action) traveling to Quebec City for the Summit of the Americas held on 04/20 - 22/2001. In addition, the Vermont Mobilization for Global Justice plans to coordinate crucial support on the Vermont side of the US - Canadian border. WBSO's main concern is if these protest groups are turned away at the Canada border, they might refocus their resources on the Washington, D.C. IMF meetings. b6 b7C

Other scheduled activities of concern to the WBSO are as follows: 03/13/2001 at 7:00pm, the Free Burma Coalition is planning a rally at the Burmese (2300 S Street, NW) embassy in Washington D.C. to pressure the "military regime to end all human rights abuses". 03/29 through 4/3/2001, the School of Assassins (SOA) Watch is planing six days of protest with rallies planned for 4/1 in front of the White House (Street theater and Puppet Parade) and 4/2 civil disobedience action at the Pentagon.

To date WBSO has no specific intelligence concerning directed protest against the Spring IMF meetings. [redacted] will keep writer informed of any new protest developments WBSO uncovers. b6 b7C

According to the United States Park Police (USPP) representitives the International Action Center (IAC) has filed an application for a permit to conduct a demonstration at the following areas (number of participants): Justice Department (1,000), Lafayette Square (2,500), White House sidewalk (750), Meridian Hill/ Malcolm X Park (2,500) and Edward R. Murrow Park (3,000) for 04/28 - 29/2001. The purpose of the proposed activity is to protest the Bush administration and polices regarding the death penalty, reproductive rights and education. In addition the Progressive Labor Party has also requested a permit from USPP to stage a march from Meridian Hill Park to the White House sidewalk for 1100 people on 3/28/2001. These request have not been approved to date.
